**DIRECTORS' REPORT**

Duncton Group Limited (the 'company') is part of Provident Financial plc, a public limited company listed on the London Stock Exchange, which, together with its subsidiaries, forms the Provident Financial group (the 'group').

**Principal activities and review of the business**

The principal activity of the company is that of a holding company. The principal activity of the company's subsidiaries is the financing of motor vehicles to individuals via conditional sale agreements.

**Results**

The statement of comprehensive income for the year is set out on page 5. The loss for the year of £6,000 (2016: loss of £18,000) has been deducted from reserves.

**Dividends**

The directors are unable to recommend the payment of a dividend in respect of the year ended 31 December 2017 (2016: £nil) in line with group policy.

**Directors**

The directors of the company during the year ended 31 December 2017, all of whom were directors for the whole year then ended and to the date of this report, except where stated, were:

R W Anderson	
P S Crook	(Resigned 21 August 2017)
A C Fisher	
S Hodgson	
S D K Law	
M J Le May	(Appointed 13 February 2018)
P Minter	Chairman (appointed Chairman 1 January 2017)

**Consolidation exemption**

The company is not required to produce consolidated accounts for its subsidiaries as the ultimate parent of the company, Provident Financial plc, produces a consolidation which includes the company and its subsidiaries. The financial statements for Provident Financial plc are publicly available.

**Exemption from preparing a strategic report**

In accordance with section 414B of Companies Act 2006, the company has taken advantage of the exemption for small companies from preparing a strategic report.

**Auditor information**

In accordance with section 418 of the Companies Act 2006, each person who is a director at the date of this report confirmed that:

- i) so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware; and
- ii) he has taken all reasonable steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

**Auditor**

Deloitte LLP will continue as auditor to the company for the next financial year.

**STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, International Accounting Standard 1 requires that directors:

- properly select suitable accounting policies and apply them consistently;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- provide additional disclosures when compliance with the specific requirements in IFRS are insufficient to enable users to understand the impact of particular transactions, other events and conditions on the entity's financial position and financial performance; and
- make an assessment of the company's ability to continue as a going concern.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**  
**DUNCTON GROUP LIMITED**

**Report on the audit of the financial statements**

**Opinion**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its loss for the year then ended;
- have been properly prepared in accordance with International Financial Reporting Standards (IFRSs) as adopted by the European Union; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of Duncton Group Limited (the 'company') which comprise:

- the statement of comprehensive income;
- the balance sheet;
- the statement of changes in shareholder's equity;
- the statement of cash flows;
- the statement of accounting policies;
- the financial and capital risk management report; and
- the related notes 1 to 12.

The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

**Other information**

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**  
**DUNCTON GROUP LIMITED (CONTINUED)**

**Responsibilities of directors**

As explained more fully in the statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**Use of our report**

**Report on other legal and regulatory requirements**

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.

**Matters on which we are required to report by exception**

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a strategic report.

We have nothing to report in respect of these matters.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**STATEMENT OF CASH FLOWS**

There have been no changes in the company's cash and cash equivalents in the current or prior years.

**DUNCTON GROUP LIMITED**  
**(Company Number 06308608)**

**STATEMENT OF ACCOUNTING POLICIES**

**General information**

The company is a private limited liability company incorporated and domiciled in the UK. The address of its registered office is The New Barn, Bedford Road, Petersfield, Hampshire, GU32 3LJ.

The principal activity of the company is that of a holding company. The principal activity of the company's subsidiaries is the financing of motor vehicles to individuals via conditional sale agreements.

**Consolidation exemption**

The company is not required to produce consolidated accounts for its subsidiaries as the ultimate parent of the company, Provident Financial plc, produces a consolidation which includes the company and its subsidiaries. The financial statements for Provident Financial plc are publicly available.

**Basis of preparation**

The financial statements are prepared in accordance with International Financial Reporting Standards (IFRS) adopted for use in the European Union (EU), International Financial Reporting Interpretations Committee (IFRIC) interpretations and the Companies Act 2006 applicable to companies reporting under IFRS.

The financial statements have been prepared on a going concern basis under the historical cost convention.

The company's accounting policies are chosen by the directors to ensure that the financial statements present a true and fair view. In accordance with section 400 of the Companies Act 2006 consolidated accounts are not presented since the company is a wholly owned subsidiary undertaking of Provident Financial plc, a company incorporated in the United Kingdom.

The financial statements are presented in pounds sterling, which is the currency of the primary economic environment in which the company operates.

**Principal accounting policies**

The company's principal accounting policies under IFRS, which have been consistently applied to all the years presented unless otherwise stated, are set out below.

There have been no new or amended standards adopted by the company in the financial year beginning 1 January 2017 which had a material impact on the company.

There are no other IFRSs or IFRIC interpretations that are not yet effective that would be expected to have a material impact on the company.

**Revenue**

Revenue comprises dividends received from group undertakings and is recognised on an accruals basis.

Dividend income from investments is recognised when the shareholder's rights to receive payment have been established, provided that it is probable that the economic benefits will flow and the amount of revenue can be measured reliably. Dividend income is recognised in the income statement within revenue.

**Investment in subsidiaries**

Investments in subsidiaries are stated at cost less, where appropriate, provisions for impairment.

**Share capital**

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

**Taxation**

The tax charge represents the sum of current and deferred tax. Current tax is calculated based on taxable profit for the year using tax rates that have been enacted or substantively enacted by the balance sheet date. Taxable profit differs from profit before taxation as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible.

**DUNCTON GROUP LIMITED**  
**(Company Number 06308608)**

**STATEMENT OF ACCOUNTING POLICIES (CONTINUED)**

**Taxation (continued)**

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method.

Deferred tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the balance sheet date and are expected to apply when the related deferred tax asset is realised, or the deferred tax liability is settled. Deferred tax is also provided on temporary differences arising on investments in subsidiaries, except where the timing of the reversal of the temporary difference is controlled by the company and it is probable that the temporary difference will not reverse in the future.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred tax assets and liabilities relate to income taxes levied by the same taxation authority on either the taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

**Key assumptions and estimates**

In applying the accounting policies set out above, there are no significant estimates or assumptions that affect the reported amounts of assets and liabilities.

**DUNCTON GROUP LIMITED**  
**(Company Number 06308608)**

**FINANCIAL AND CAPITAL RISK MANAGEMENT**

Duncton Group Limited (the company) is a wholly-owned subsidiary of Provident Financial plc which, together with its subsidiaries, forms the Provident Financial group (the group).

The overall group internal control and risk management framework is the responsibility of the group board with certain responsibilities in respect of internal control and risk management being delegated to various sub-committees who report directly to the board. An overview of the group's risk management framework can be found in the annual report and financial statements of Provident Financial plc.

The group operates with a centralised treasury function and therefore the funding requirements of the company are met wholly or partially via funding from Provident Financial plc or one of its subsidiaries. In addition, the allocation of capital is managed on a group basis by the centralised treasury function.

Accordingly, it is inappropriate to consider the management of liquidity risk, interest rate risk, market risk and capital risk on a stand-alone company basis.

**(a) Liquidity risk**

Liquidity risk is the risk that the group will have insufficient liquid resources available to fulfil its operational plans and/or to meet its financial obligations as they fall due.

Liquidity risk is managed by the group's centralised treasury department through daily monitoring of expected cash flows in accordance with a board-approved group funding and liquidity policy. This process is monitored regularly by the group treasury committee.

The group's funding and liquidity policy is designed to ensure that the group is able to continue to fund the growth of the business. The group therefore maintains committed borrowing facilities and access to retail deposit funding through its subsidiary, Vanquis Bank Limited, to meet forecast borrowing requirements, including contractual maturities, at all times for at least the following 12 months. As at 31 December 2017, the group's committed borrowing facilities had a weighted average maturity of 2.3 years (2016: 2.5 years) and the headroom on these committed facilities amounted to £66.2m (2016: £110.2m). In addition the group has additional funding capacity for Vanquis Bank to take retail deposits of £76.9m and cash resources held of £34.3m.

The group is less exposed than other mainstream lenders to liquidity risk as the loans issued by the Consumer Credit Division are of short-term duration (typically around one year), whereas the group's borrowings extend over a number of years.

A maturity analysis of the undiscounted contractual cash flows of the group's bank and other borrowings, including derivative financial instruments settled on a net and gross basis, is set out in the annual report and financial statements of Provident Financial plc.

**(b) Interest rate risk**

Interest rate risk is the risk of a change in external interest rates which leads to an increase in the company's cost of borrowing.

The group's exposure to movements in interest rates is managed by the group treasury committee and is governed by a board-approved interest rate hedging policy which forms part of the group's treasury policies. The group seeks to limit the net exposure to changes in interest rates. This is achieved through a combination of issuing fixed-rate debt and by the use of derivative financial instruments such as interest rate swaps.

A 2% movement in the interest rate applied to borrowings during 2017 and 2016 would not have had a material impact on the group's profit before taxation or equity as the group's interest rate risk was substantially hedged. Further details of the interest rate risk management are detailed within the annual report and financial statements of Provident Financial plc.

**FINANCIAL AND CAPITAL RISK MANAGEMENT (CONTINUED)**

**(c) Market risk**

Market risk is the risk of loss due to adverse market movements caused by active trading positions taken in interest rates, foreign exchange markets, bonds and equities. The company's and group's policies do not permit it or the group to undertake position taking or trading books of this type and therefore neither it or the group does so.

**(d) Capital risk**

Capital risk is managed by the group's centralised treasury department. The group manages capital risk by focusing on capital efficiency and effective risk management. This takes into account the requirements of a variety of different stakeholders including shareholders, policyholders, regulators and rating agencies. A more detailed explanation of the management of capital risk can be found in the annual report and financial statements of Provident Financial plc.
